

Dear **Rhitvik Sinha**,

We are please to confirm your acceptance of an internship as a Researcher in the Cricket Pose Extraction and Estimation project with Kabuni. Your duties and assignments for this position will be to create and apply deep learning models to human pose estimation using historic video of professional Cricket players with the goal of building an application that young Cricket players can use to learn about the game and ultimately train themselves.

We expect you to be available for work starting 3rd May 2021. You will work 30-40 hours per week for a minimum of 240 hours over the duration of the internship. Your supervisor for this project will be **Ethan Burnside**, available by email at **ethan.burnside@kabuni.com** or via phone at **1-541-908-0517**. If you have any questions, please feel free to contact Ethan.

We are pleased you've decided to work with Kabuni on this exciting project!

Sincerely,

Neil Patel
