DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING

29th November 2021

Term Project Completion Certificate

To Whom It May Concern

This is to certify that

Md. Mohsin Kaleem (18IE10010)
Rhitvik Sinha   (18EE10043)
Piyush   (18CS10041)

have successfully completed the term project in the area of "*Interpretable Convolutional Neural Networks*" as part of the course "*Scalable Data Mining*" in the Autumn Semester of 2021. The students implemented and experimented with CoDA-Nets, introduced in the paper titled "Convolutional Dynamic Alignment Networks for Interpretable Classifications", by M. Böhle, M. Fritz, B. Schiele (CVPR 2021). They presented their findings and also suggested further research direction.

As the course faculty, I am glad to write that their project reached the desired level and I am very satisfied with their work.
